### Letter from the DG

HAPPY NEW YEAR, AGAIN!!

Well, we hope we may have all the really cold weather behind us. Even Florida was cold this last month. I remember a weather map showing Orlando to be colder than Caribou, ME. Now that was some kind of cold front. So now that we are warming up, we need to be on the lookout for new Lions, as well as retaining the Lions that we already have in our clubs. The close of Dec. 2009 showed us at plus 17 for 22B. We gave out membership projection sheets to all of the King Lions via the Zone Chairs, but we have gotten very few back. It is important for us to put down our goals so that we will better achieve them. These projections will remind you to set your sights and programs to produce the membership growth that we forecast for our own clubs. The active growth of our clubs is the needed lifeblood for the clubs to carry and live up to our motto of "WE SERVE!"

Has anybody seen the new LCI billboards going up around the District? There are three in Salisbury and at least two in Dover. By the time you read this there should be quite a few more on display. I hope all of you were able to do something the last two weeks of January to show off Lions. Did you wear Lions apparel frequently? Did your club engage in an activity that public could witness? Let us know — we would like to think that 22B clubs are proud to show their communities that "WE SERVE!"

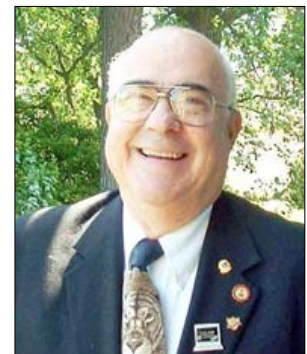

**Changed dates for the NEXT Cabinet Meeting, same place, but February 14, 2010.**

Elsewhere in this newsletter there is an application for the Lions Leadership Institute to be held **Feb. 19-21, 2010 at Emmitsburg, MD** at the National Emergency Training Center. **Please, please** clear your calendar and make plans to attend. I will be there along with my VDG, CS and I hope with all of my RCs and ZCs. It is great, but we had to cancel last year because of poor attendance. We must support and use this training to increase our knowledge and use of Lionism. It is only \$150 for Friday night, Saturday and Sunday through lunch.

Also mark your calendar for the 22B District Social on March 13 at Salisbury University, the same as last year. We will have our Leader Dog Dinners on March 26 in Galena and March 27 in Sharptown. **WHAT PROSPECTIVE LION ARE YOU BRINGING TO THE DINNER?** I do not know of a finer Lions' function that you could ask a prospective member to attend!!

Also PLEASE, PLEASE step up and be part of the Leadership of the District. We must have a VDG immediately as our current VDG will become the DG in July. We then must have a VDG for the following year. There are many of you fully qualified to take on this most rewarding task. Just like membership it is part and parcel of being a LION, become part of the solution instead of just sitting in the problem bleachers!!!!

SEE YA AT THE MEETING  
DG John Atkins

## Letter from the Lions International President

Dear Lions of the World,

It is with great sadness that the world's attention is focused on the devastating earthquakes in Haiti that left 1.5 million homeless, up to 200,000 dead, and countless injured and traumatized. It will take years for the country to fully recover, but we know Lions will be there every step of the way.

Just like Lions have done with the South Asian tsunami, Hurricane Katrina, the Sichuan earthquake in China and other calamities, Lions and LCIF will be there for the both the short- **and** long-term providing immediate aid now but also working to rebuild communities, to restore hope and to support those affected **for as long as it takes**.

If there is one thing that makes Lions unique from other service agencies, it's that we commit for the long term and we work within the affected communities - through our local Lions - to rebuild for a better tomorrow. The Haitian Lions are our brothers and sisters, members of our international family, and we will never let them down.

As you are likely aware, Lions have already moved swiftly to provide immediate assistance despite the coordination challenges. Lions' relief tents are being shipped from Sweden; Lions from Canada on a mission in Haiti during the quake gave first aid assistance during the first hours and days; and Lions in the Caribbean area are sending aid over land and by sea. Additionally, a coordinating committee of Lions in Haiti, Dominican Republic and nearby countries is actively planning the next steps, and our foundation chairperson, Al Brandel, immediate past international president, will be traveling there to meet with them.

Naturally, the response by Lions to LCIF's **Lions Hope for Haiti** donation appeal has been tremendous. Within days, we have already mobilized more than \$350,000. By the time you receive this, I am sure it will be much, much more. But we'll need millions more if we are to help the country rebuild, to provide homes for the homeless, to rebuild, to rehabilitate those left disabled, and to help heal so many shattered and broken hearts. So please donate what you can.

Lastly, I am extremely saddened to report that two of our Haitian Lions - our family - have perished and other Lions may have lost family members. On behalf of Lions the world over and members of our international board, we offer our sincere, heartfelt condolences and sympathies to our Lions family who have suffered such personal losses.

To our Lions family in Haiti, I commit to you that the Lions of the world will be there for you today, tomorrow, next week, next month, next year, the year after that - and again for as long as it takes.

There will be more updates from LCIF Chairperson Brandel in the days to come. Meanwhile read the latest LCIF update on Haiti, including information on how you can make a personal online donation. I thank you all ahead of time for any further assistance you can provide.

With sympathies,

Eberhard J. Wirfs, International President, Lions Clubs International

## Shoes make international imprint

The Cecilton Lions Club's "Footsteps" on-going collection of used shoes and sneakers for shipment to Third World countries has now surpassed 2,000 pairs of shoes! "The public's response has been phenomenal," says Lion Jack Magee.

The club collected 300-plus pairs of shoes in June 2007, and since the word spread about the program, people have continued to donate. The club is now able to help many more people prevent disease. Thousands die from disease as a result of parasites entering the body through the feet, and shoes can help prevent these diseases.

Lion Jack says this is a great way to help others and deliver on the mission statement of Lions Clubs International. Contact Jack Magee at 410-275-8426 if you want to donate. Shoe drop-off locations: Cecilton Elementary; Zion UM Church, Cecilton; St. Stephen's Episcopal Church, Earleville; St. Paul's UM Church, Earleville; Mt. Olivet Methodist Church, Warwick; and Upper Bay Ruritans, Cecilton.

## Don't forget the "GO GREEN CHALLENGE!"

During the cold winter months it is important to continue to incorporate our District's "Go Green Challenge" to **Conserve, Reuse, & Recycle** our finite resources. To save water, energy and money, don't forget to check connecting hoses and faucets for leaks. Turn off connecting faucets when not in use to preserve equipment and avoid leaks. Water pipes should be inspected regularly for pinhole leaks or leaks in connections. A pinhole leak can waste up to 170 gallons of water a day. Remember to "treat the earth well, it was not given to you by your parents, rather it was loaned to you by your children."

Questions and/or comments, please contact Lion Terry Higgins at [higginte@dmv.com](mailto:higginte@dmv.com) or 1-302-492-3354.

## Report from Haiti from Al Brandel

Dear Lions,

Maureen and I have just returned from Haiti where we led a team of Lions and Leos to distribute relief supplies. It brought tears to our eyes to witness the despair of the people, but Lions are committed to meeting these needs in the days and years ahead.

I'd like to first thank all of you for your tremendous generosity. Lions Hope for Haiti mobilized more than US\$1.5 million. By the time you receive this message, I'm sure it will be even more.

While in Haiti, we met with local Lions to discuss immediate needs and long-term reconstruction. They appointed a committee and are discussing long-term relief efforts.

The Foundation is partnering with the Lions of Sweden to provide 200 large tents to house those who are now homeless as well as relief workers. Haitian Lions established three tent cities in the Port au Prince area, where they are focusing their immediate relief efforts. This weekend, Lions delivered additional relief supplies from the Dominican Republic.

We have launched a Haiti section on the Lions Web site, with photos, video and other news. As we receive additional information, we will continue to add it to the [Web site](#).

If you haven't already done so, I ask you to consider [making a donation to LCIF](#) to support this disaster. Lions in Haiti appreciate your support and are anxious to serve.

Zone Chairperson William Eliacin's initial desperation turned to hope and gratitude for the people of Haiti when he learned of the great outpouring of support from Lions around the world.

He said, "We want to show the Lions and the Haitian people in general that the Lions Club is an extraordinary organization, that we are here and that our motto is, "We Serve". We serve our peers, we serve our brothers who are in need. That is why we are here. **So I am appealing to you. You can count on us to achieve as much as we can with your contribution to help those who are in need.**"

You can donate in confidence to LCIF, as 100 percent of every donation will go directly to Haiti relief. Through LCIF, Lions around the world are helping those most in need.

For the most up-to-date information about LCIF's ongoing relief efforts in Haiti, please visit [www.lcif.org](http://www.lcif.org)

**BIGGER THAN LIFE:** Lions Club International is "Spreading the Word" about how great Lions are. The accompanying photo is a billboard located in Cecil County on Route 213 North just before Baker's Restaurant on the left side of the highway. This was posted in December 2009.

## **LCI and Walmart partner on eyeglasses**

Lions Clubs International is pleased to announce it has entered into an agreement with Walmart to collect used eyeglasses from the public at specified Walmart and Sam's Club stores throughout the United States. This new program will enhance the Lions Eyeglass Recycling Program, enabling our association to collect increased quantities of usable glasses for humanitarian missions to developing nations.

- Commencing January-February 2010, co-branded collection boxes, bearing the LCI, Walmart and Sam's Club logos, will be available in the 2,500 US Walmart stores and approximately 500 Sam's Clubs, with vision centers. These new boxes will replace Lions collection boxes currently in place at the specified stores. For Walmart stores and Sam's Clubs without in-store vision centers, existing Lions collections will continue at the discretion of the store managers.

- Walmart will ship the collected eyeglasses to their distribution centers, where they will then be delivered to the nearest Lions Eyeglass Recycling Centers for sorting, cleaning and processing.

- Usable glasses will be available for Lions and other optical missions to developing nations, where the glasses will be dispensed to children and adults free of charge.

- The Lions/Walmart co-branded program is aimed at members of the public. Walmart and Sam's Club stores will not be able to accept or ship Lions club collections of eyeglasses from other locations in the community.

If you are involved in eyeglass collection, thank you for your continued support of this project. We encourage clubs to maintain their collection sites throughout the community and send the glasses to the nearest Lions Eyeglass Recycling Center. These collections have had a direct impact on the strength and success of the Lions Eyeglass Recycling Program.

LCI can help to promote your community collections by posting drop-off locations on the association's Web site at the Club Locator. Clubs can simply provide us with their information via the Lions Recycle For Sight Club Participation Form and we'll post up to six collection sites. Or, send an e-mail to: [eyeglasses@lionsclubs.org](mailto:eyeglasses@lionsclubs.org).

### **Lion hunting in Cambridge**

The 38<sup>th</sup> annual “Hunting Lions in the Air” amateur radio event took place January 9-10. The worldwide contest is sponsored by the Lions Club of Bangalore North (India) commemorating Melvin Jones’ birthday. Shown are Lions Kenny Thomas, at the radio, and Gene Williams of the Cambridge Club participating from Lion Kenny’s home. Amateur (Ham) Radio operators all over the world have been serving people, especially during disasters, by providing emergency communication when normal telecommunication fails. Hams are able to communicate to any part of the world – free of cost. Hunting Lions in the Air is a yearly event and a reason to contact local individuals or club stations who are licensed in Amateur (Ham) Radio. Lion Kenny was unable to find any fellow Lions in the air, although he did speak to other Hams throughout the country.

### **Lion “Red” Mock’s 60 years lauded**

Lion Carlton “Red” Mock received his 60-year service chevron at the Hurlock Lions Club meeting January 5. Lion Red’s son, Lion Chuck Mock, accepted the award in his absence.

Presenting the award, PDG Dal Mann noted the rarity of the 60-year chevron and said he had been called on to make numerous chevron awards, but this was the first for this long of a term of service.

Lion Red is the longest-serving Lion in the club. He was a charter member of the Trappe Lions Club and transferred to the Hurlock Club in 1977. He is a Past President and Director of the Trappe Club and helped organize Trappe’s famous fund-raisers, including their fish fry dinners and chicken barbeques along Rt. 50.

Lion Red’s notable sense of service is shown as an organizer of Trappe’s Cub Scouts and Home Run Baker baseball, of which he is a past president. He also served on the town’s Planning and Zoning Commission. After retiring and moving to Dorchester County, Red transferred his membership to the Hurlock Club. The club enjoyed several Steak Nights at the Mock home on the banks of the Choptank River.

Congratulations to Lion Red on his 60 years of Lion membership.

### **Lions on the march in DC – Show your pride in our vets!**

In cooperation with Lions District 24A and Multiple 24 in Virginia, the Lions of 22C and Multiple 22 are called to participate in the 2010 National Memorial Day Parade in Washington, DC on May 31.

It is hoped that the turnout will far exceed the great group of Lions who in marched and rode in 2009. There will be places for Lions, Lionesses, and Lions who are veterans, Leos, and Special Olympics participants. Put it on your calendars now. Any additional questions should be directed to 22C District Governor Bill Thomas at [billysbarn@gmail.com](mailto:billysbarn@gmail.com) or 301-774-5589.

We want to have America see a sea of purple supporting our veterans and military personnel.

### **Pre-K vision screening completed in North Dorchester**

The Hurlock Lions have screened 123 pre-K students at Vienna, Hurlock and Warwick elementary schools. Thirteen of the exams resulted in referrals to eye care professionals. The screening team were Lions Cal Butt, Buddy Parker and Frank Wilson. Thanks to school principals Susie Price, Lion Regina Teat and King Lion Linda Wilson for their cooperation and assistance.

The screening identifies possible defects not uncovered by vision acuity tests using wall charts. Of particular interest is discovering unidentified amblyopia (lazy eye), which if untreated at a young age can result in permanent vision loss in one eye. About 5% of the pre-K population has this deficiency.
